

**Gertrude Over Bageant Collection
281 THL**

Index to World War II Scrapbooks

In early 1942 Gertrude Over began a series of three scrapbooks with clippings from local newspapers about service personnel from the Winchester-Frederick County, Va. area. The following indexes to the scrapbooks list names of individuals mentioned in the articles, as well as rank, if available. The notes column uses the designation "Fem" for women entries and "AfAm" for African American entries.

Index to Scrapbook 1: 1942
